

Your **CareHere Health Center** provides employees and eligible dependents with **FREE** Diabetes Treatment, Education, and Supplies.

Did You Know?

- Adults with diabetes have heart disease death rates about 2 to 4 times higher than adults without diabetes.
- Diabetes is the leading cause of new cases of blindness among adults ages 20–74 years.
- Self-testing supplies, which includes glucometer, lancets, and strips, are available at no cost at your CareHere Health Center. Insulin is NOT available to be dispensed in the Health Center.

How do I get my FREE diabetes supplies?

Get your FREE diabetes test and testing supplies today!

You will be assigned a CareHere Health Coach for diabetes education. During the diabetes education program, you will speak with a nurse, registered dietitian and exercise coach to learn how to better control your diabetes. Take advantage of this great service by scheduling an appointment online with the CareHere Health Center at www.CareHere.com or by calling 855.200.6822 today!
