

Helena Police Department, Montana Attorney General's Office and Angel Fund partnering to promote healthy physical activity by providing athletic shoes for Helena School District Children.

In 2010, the Helena Police Department and the Attorney General's office began the Running for Montana's Future 6K/1K race here in Helena. The proceeds from this fundraising event benefit local students who are identified as "in need" of basic things such as shoes, particularly, athletic shoes, so they can have an equal opportunity to participate in sports or even gym classes, where proper shoes are required.

Be a part of this worthwhile endeavor by registering on-line at www.racemontana.com (until August 1, 2014). The race fee is \$10 and includes a t-shirt. There is a free 1K Family Fun Run/Walk (shirts will be for sale). Contact Maggie Brownlee for more information: mbrownlee@helenamt.gov or 447-8479.
