

TAKE BACK YOUR

LUNCH

We've all worked through our lunch hour. But sitting for too long isn't healthy and doesn't make you more productive. That's why we're encouraging Helena workers to break up their work day, get outdoors, and take a walk. Join PacificSource over the lunch hour every Thursday this summer in the Great Northern Town Center. First stop by our booth to check in, then grab a friend, and head under the tunnel to take a walk through Centennial Park. You'll return to work feeling invigorated and ready to conquer the afternoon!

Dates: Every Thursday from June 5–August 28
